At Maison Dandoy we want to make your senses rave, because in life you just can't celebrate enough. Made with skill and care in a truly artisanal way, our biscuits are rich in flavor, sweet in scent and full with character. Handcrafted for you by a small, close team in our Brussels atelier, they are made of 100% natural ingredients just like our great-great-great grandfather did 187 years ago. Since then, our guilty pleasures have conquered their way into the Brussels people's hearts.
